- A make discoveries through hands-on experience.
 - B just watch the exhibitions.
 - C walk around the Science Centre.

"I want to be a doctor so I need to score 'A' for my Science subject in the final exam. Then, I can get into Science class when I am in Form Four," said Wafa.

5. Science is an important subject to
- A learn when you are in school.
 - B study if you want to join Form Four.
 - C excel in if you want to be in the medical profession.

Andy : Hello, Dad!

Father : Hi, Andy.

Andy : Something is wrong with the Internet at home. Could you please report this to the service provider?

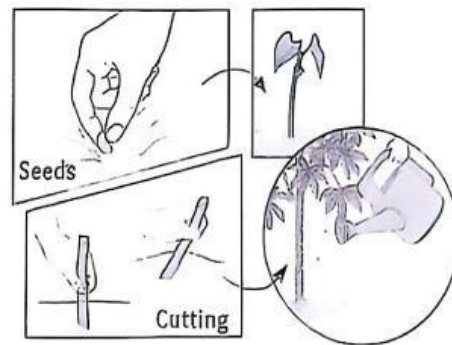

Father : When did this happen? This morning, it was still functioning.

Andy : I'm not sure. The lights at the receiver keep on blinking non-stop. I cannot connect to the Internet using my computer.

Father : Let's wait for another day. Hopefully, the connection will improve later on. If not, I'll report it to the company.

6. Andy's father

- A agrees to call the company and report the matter immediately.
- B is thinking on how to solve the problem quickly.
- C suggests that Andy waits for the connection to get to normal.

7. Plants can grow

- A in empty pots.
- B using seeds and cuttings.
- C without any water.

Electric vehicle or EV is considered an environmental-friendly car. However, their popularity in the country remains vague. Besides the high price, consumers worry about the maintenance of the cars as well as the availability of the charging stations throughout the country.

8. Many people will not buy electric cars because

- A they are not interested in eco-friendly cars.
- B the price of each car is expensive.
- C the cars have to be charged at home.
