I had a strange experience last night.

What happened?

But you said that there was **5.....** at home!

That's right. I thought it was **6.....** stealing things. I was scared.

What happened next?

I didn't hear **7.....** for a few minutes. Then the voice started again.

Oh dear! What did you do?

I went downstairs. I didn't turn the light on, so I couldn't see **8.....** in the dark. The voice was coming from the kitchen. I slowly opened the kitchen door.
