

Lisa's story

Writing Assignment by N.M.

Name the part of speech. Chose the correct option for each underlined expression.

Last year (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place),

I decided (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

to play (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

a little joke (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

on the children (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

at my school. (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

I put (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

some glue (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

on a coin (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) of 50 c (BGN)

and stuck (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) the coin on

one of the school (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

staircases. (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

During the breaks (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

I stood (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

near the steps (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

and watched (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

how students tried (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

unsuccessfully (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

to pick up (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

the coin.

Most of them found (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

this joke (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

of mine funny (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

and went away (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place)

laughing (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place),

others were a little annoyed.

However, it didn't (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) occur (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) to me that the 50 stotinkas would (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) attract (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) not only students.

At the end of one of the breaks (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place), the chemistry (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) teacher (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) also saw (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) the coin and stooped down (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) to pick it up.

She tried hard (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) to do this until she realized (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) it was a trick.

Unfortunately (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) for her, a lot of students saw her attempt (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) to pick up the coin and started (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) laughing.

The teacher was really (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) embarrassed (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) and I felt (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) a bit guilty (lexical verb / auxiliary verb / noun / adjective / adverb of time / adverb of manner / adverb of place) about that.
