

The recipe instructs to mix the ingredients

The detective investigated the crime scene.

He didn't say hello.

He could become President of the United States!

I like all animals, snakes.

He didn't have enough money to pay the rent.

The project will take three months to complete.

You could call to let me know you're running late.

The weather is bad, but it's not raining.

You have to complete five tasks to submit the homework.
