

My Daily Adventure

Hello! My name is Emma, and I am 10 years old. This is my daily adventure! Every morning, I wake up at seven o'clock. First, I make my bed and brush my teeth. Then, I have breakfast with my family. I usually eat bread, milk, and fruit. After breakfast, I pack my school bag and walk to school with my brother. At eight o'clock, classes begin. My favorite subject is English because we play games, sing songs, and learn new words. I also like Science because I enjoy doing experiments.

At twelve o'clock, it is time for lunch. I eat in the school cafeteria with my best friend, Lucas. We talk about our favorite cartoons, and sometimes we share snacks. After school, I go home and do my homework. It usually takes me one hour. Later, I play soccer in the park with Lucas and my brother. Playing soccer makes me happy and helps me stay active.

In the evening, I have dinner with my family. We talk about our day and laugh together. Before bed, I always read a storybook. Reading helps me relax and dream about new adventures. My daily adventure is full of learning, fun, and love.
