Exercise 8. Read the following passage and circle the letter A, B, C, or D to indicate the correct answer to each of the questions.

WE ALL NEED EXERCISE

The body needs exercise. Exercise uses up food and keeps the body strong. It makes your heart and muscles strong. Exercise also makes you feel good. If you exercise a few times a week, you will stay healthy and happy.

Some people in America do not get enough exercise. They work in office buildings sitting in a chair all day in front of computers. They live far from their offices, and they have to drive their cars to get to work. Therefore, when they get home at night, they don't want to exercise after work.

Today, many Americans are overweight. This causes health problems for some people. Doctors say that exercise can help people both lose weight and improve their health. So, many people are trying to get more exercise. But it takes time to change, and when people do not see a difference right away, they **lose interest** in exercising.
