

# Fleetwood Mac

## The chain

Fleetwood Mac is a famous British-American rock band.

They started in 1967 in London.

The band has many members.

Their music is rock and pop.

It is very melodic and beautiful.

Many of their songs are about love and relationships.

Their most famous album is "Rumours".

It is one of the best-selling albums in the world.

to the wind , watch the rise.

Running in the shadows, damn your , damn your lies.

And if you love me now, you will love me again.

I can still hear you saying you would never break the chain,  
(Never break the chain).

And if you don't love me now, you will never love me again.

I can still hear you saying you would never break the chain,  
(Never break the chain).

Listen to the wind blow, down comes the night.

Running in the shadows, damn your love, damn your lies.

Break the silence, damn the dark, damn the light.

And if you don't love me now, you will never love me again.

I can still hear you saying you would never break the chain,  
(Never break the chain).

Chain keep us together (running in the shadow).

Chain keep us together (running in the shadow).
