

Female Reproductive System

ชื่อ..... บ้าน..... เลขที่.....

An anatomical diagram of the female reproductive system, showing the uterus, fallopian tubes, ovaries, and vagina. The diagram is color-coded: the uterus is pinkish-red, the fallopian tubes are light pink, the ovaries are yellowish, and the vagina is dark red. There are six empty rectangular boxes with red borders and horizontal lines, each connected to a specific part of the anatomy by a black line. The boxes are intended for labeling the following parts: 1. The left fallopian tube. 2. The right fallopian tube. 3. The left ovary. 4. The right ovary. 5. The uterus. 6. The vagina.

A large rectangular box with rounded corners and a red border. Inside the box, there are four horizontal red lines, evenly spaced, intended for writing.
