6- Read and answer the questions:

Hello! She was Elizabeth. She died the eight of September of 2022. She was a queen. She was ninety six. She was British. She woke up at half past seven every day and she had a snack while listening to the radio. She got dressed at eight. Sometimes she needed to change her clothes up to five times a day. She did her own makeup every single day. She had breakfast at half past eight. She had Kellogg's cereal and tea. She read her daily journals. She read her mail and she signed some documents from nine to eleven. She received sixty thousand letters in a year. She met with important guests at her palace. Each meeting lasted around twenty minutes. Around half past twelve, she took a break to walk her dogs in the garden. She rode her horse too. From two to five she drove her car to meet with the prime minister. After that, she had a second break for the traditional five o'clock tea time. From five to half past seven she went to the Parliament to have more meetings. Then she had dinner. She drank a glass of champagne with her meal. At half past eight she watched TV and relaxed. She wrote a diary before going to sleep.
