

Today, my school held an Independence Day celebration event. It welcomed students from every grade to participate in many fun games, such as tug of war, *krupuk* race, sack race, tandem race, and the marble in spoon race. Many students participated, which made all the games so exciting.

In the beginning, I participated in the marble-in-spoon race. It was a very tight game between me and Galang. I almost beat him at the beginning of the race, but he was so fast and steady. He could even run with it. He came first and I came second. It was hard to beat Galang in this game.

The next game was a tug of war, sack race, and tandem race. All the games were held at the same time. I saw Andre participate in the sack race. At first, he led the race, but suddenly he fell in the middle of the race. But finally, he came second. It was so sad that he couldn't finish first. Meanwhile, Pipit participated in a tandem race with our friends. Her team came third. It was not too bad.

The last game was the *krupuk* race. Once again I met Galang in the final. The fun part was I finished first and he finished after me. I finished my krupuk with three or four bites.

It was a joyful day at my school. Everyone put a smile on their faces. I was delighted. At the end of the event, my class was announced as the grand champion of the whole competition.
