

WOULD YOU FALL IN LOVE WITH ME AGAIN

Penelope

Is it you? Have my been answered?

Is it really you there?

Or am I dreaming once more?

You look

Your eyes look

Your frame is lighter

Your smile,

Is it really you, my ?

I am not the man you fell in love with

I am not the man you once adored

I am not your kind and gentle

And I am not the love you knew before

Would you love with me again

If you knew all I've done?

The things I cannot change

Would you love me all the same?

I know that you've been

Waiting for love

WOULD YOU FALL IN LOVE WITH ME AGAIN

What of things did you do?

Left a of red on every island

As I friends like objects I could use

Hurt more lives than I can on my hands

But all of that was to bring me back to you

So tell me

Would you fall in love with me again

If you knew all I've done?

The things I can't

I am not the man you knew

I know that you've been waiting, waiting

If that's true, could you do me a ?

Just a moment of , that would bring me some peace

See that bed? Could you carry it over?

Lift it on your shoulders

And take it from here

WOULD YOU FALL IN LOVE WITH ME AGAIN

How you say this?
I had that wedding bed with my
blood and
 it into the olive tree where we
first met
The symbol of our love
Do you realize what you have asked
me?
The only way to move it is to cut it from
its

Only my husband that
So I guess that makes him you

Penelope

I will fall in love with you
Over and over again
I don't care how, where, or
No matter how it's been, you're
mine
Don't tell me you're not the same person
You're always my husband
And I've been waiting, waiting

WOULD YOU FALL IN LOVE WITH ME AGAIN

Penelope

Waiting, waiting (Penelope)

Waiting, waiting

Waiting, oh

For you

How long has it been?

years

I love you
