Let's Solve!

Instructions:

1. Your group will receive pieces of a puzzle. Work together to arrange the pieces into a complete picture. and glue the puzzle on your worksheets
2. After completing the puzzle, observe the image carefully.
3. Write 5-6 descriptive sentences about the picture using descriptive language (use adjectives, simple present tense, etc.).
4. Cut your sentences into strips. Mix them up and arrange them back in the correct order to form a short descriptive text.
5. Keep your picture a secret! Don't let other groups see it — we will guess each other's pictures later!
6. Be creative, neat, and have fun!
