### Read the following text.

Last week, my family and I were at the airport. We were at the check-in when someone came to us. He asked, "Did anybody see my bag?" Everybody looked at him, but no one said anything. Then, I told him that I saw a bag at the airport hall. He ran quickly. Later, he came back with a big black bag. I felt happy because I helped someone to find what he lost.

### Choose true (T) or false (F).

- |   |      |       |
|---|------|-------|
| 1. The family wanted to travel by bus.  | True | False |
| 2. Someone lost something.              | True | False |
| 3. There was something near the scale.  | True | False |
