NAME: _____ **CLASS :** _____

Read the report text below!

An apple is a common fruit that grows on a tree. It is round and can be red, green, or yellow. Apples are crunchy and have a sweet or sometimes sour taste.

Inside an apple, there are small, brown seeds. We can eat apples raw or use them to make things like apple juice, apple pie, or applesauce. Apples are healthy and full of vitamins. People all over the world eat apples.
