 - a) Ad Hominem
 - b) Bandwagon
 - c) Appeal to Authority
 - d) False Dilemma

2. "If I don't get an A on this test, my parents will ground me forever, and I'll never be happy again!"
 - a) Slippery Slope
 - b) Circular Reasoning
 - c) Post Hoc
 - d) Red Herring

3. "My friend said the cafeteria food is bad, so it must be terrible for everyone."
 - a) Straw Man
 - b) Hasty Generalization
 - c) False Dilemma
 - d) Bandwagon

4. "You should believe me because I'm older than you."
 - a) Appeal to Authority
 - b) Straw Man
 - c) Red Herring
 - d) Bandwagon

5. "Either we ban video games or kids will never read books again."
 - a) False Dilemma
 - b) Circular Reasoning
 - c) Slippery Slope
 - d) Hasty Generalization

6. "Our team lost after I forgot my lucky bracelet. It's my fault."
 - a) Post Hoc (False Cause)
 - b) Ad Hominem
 - c) Straw Man
 - d) Bandwagon

7. "You can't say bullying is wrong—you've been mean before too!"
 - a) Ad Hominem
 - b) Red Herring
 - c) False Dilemma
 - d) Circular Reasoning

8. "All the smart kids are in chess club. If you want to be smart, you should join too."

- a) Hasty Generalization
- b) Bandwagon
- c) Slippery Slope
- d) Appeal to Authority

9. "We should get extra recess." "So, you think we should just play all day and never study?"

- a) Straw Man
- b) Circular Reasoning
- c) False Dilemma
- d) Post Hoc

10. "This phone must be the best because it's the most expensive one."

- a) Bandwagon
- b) False Dilemma
- c) Appeal to Authority
