Choose the right answer by crossing on a, b, c, or d!

Read the dialogue! For question number 1-2

Bila : Excuse me, how much is this hat?

Siska : It's Rp30.000,00

Bila : Ok, I'll take it. And how much are these bags?

Siska : They are Rp100.000,00

Bila : Oh, so expensive. Can you lower the price to Rp60.000,00?

Siska : No, I can't, that's too low. Actually, it's a fixed price. I can only lower the price just a little bit

Bila : How much can you lower the price?

Siska : How about Rp80.000,00?

Bila : That's still too expensive, Sir. I'd take it if it were Rp65.000,00

Siska : I am sorry, madam. I can't lower the price that much.

Bila : Okay, I'll just take the hat. Thank you, Sir.

Siska : You're welcome, Madam.
