| WORD OR EXPRESSION         | GIVE OPINION | SEQUENCERS | COMPARE AND CONTRAST |
|----------------------------|--------------|------------|----------------------|
| After that                 |              |            |                      |
| I think...                 |              |            |                      |
| Similarly                  |              |            |                      |
| On the other hand          |              |            |                      |
| First of all               |              |            |                      |
| As far as I'm concerned... |              |            |                      |
| Then                       |              |            |                      |
| Unlike                     |              |            |                      |
| From my point of view...   |              |            |                      |
| Finally                    |              |            |                      |
| In contrast                |              |            |                      |
| Next                       |              |            |                      |
| In my opinion...           |              |            |                      |
| Both... and...             |              |            |                      |
| I believe...               |              |            |                      |
