JARING-JARING MAKANAN

Gunakan gambar hewan di bawah ini untuk mengisi kotak-kotak di atas sehingga tersusun jaring-jaring makanan yang tepat!

The image displays ten animals arranged in two rows. The top row contains a grey rabbit, a grey mouse, a green frog, a brown owl, and a tan fox. The bottom row contains a brown hawk, a bald eagle, a brown and tan patterned snake, and a green grasshopper. These animals are intended to be used to complete a food web diagram.
