

Fill in the gaps with must  
or mustn't

You  listen to the teacher.

You  bring your books.

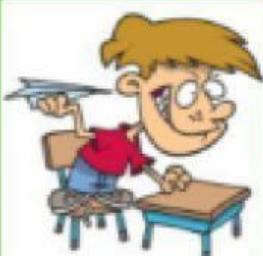

You  use your mobile class.

You  arrive late.

You  bully your classmates.

You  play in the classroom.

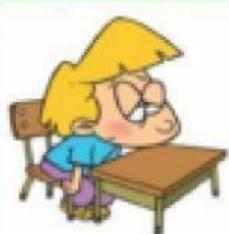

You  eat in the computer room.

You  ask the teacher if you don't understand.

You  shout in the corridor.

You  sleep in the library.

You  raise your hand to speak.

You  pay attention to the teacher.
