Gotye

Fill in the blanks with the past form of the verbs given.

Now and then I think of when we ___ (be) together

Like when you ___ (say) you felt so happy you could die

___ (tell) myself that you were right for me

But ___ (feel) so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like resignation to the end, always the end

So when we ____ (find) that we could not make sense

Well, you said that we would still be friends

But I'll admit that I ___ (be) glad it was over

But you ___ (do not) have to cut me off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now and then, I think of all the times you ____ (screw) me over

But ___ (have) me believing it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch, you ____ (hang) up on

Somebody that you used to know

But you didn't have to ___ (cut) me off

Make out like it never _____ (happen) and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

And you didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Somebody (I used to know)

Somebody (Now you're just somebody that I used to know)

Somebody (I used to know)

Somebody (Now you're just somebody that I used to know)
