V. Read the passage and answer the questions. (5 questions)

Many students enjoy joining school clubs after class. The drama club is popular because students like to act and perform plays. Others join the arts and crafts club to make things and learn new skills. Some students sign up for sports clubs, such as football or basketball, while others join the science club to do fun experiments. These activities are not only interesting but also help students make friends and learn about teamwork.

26. Why is the drama club popular?
27. What do students do in the arts and crafts club?
28. Which sports clubs do students sign up for?
29. What do students do in the science club?
30. Why are school clubs important?
