Beach tourism is a **favorite** activity for many people. Visitors enjoy the sun, sand, and sea at beaches around the world. Some people go to the beach to relax, while others enjoy water sports like swimming, surfing, and diving. Coastal towns and cities offer many services for tourists, such as hotels, restaurants, and shops.

One of the reasons why beach tourism is so popular is that it is easy to travel to these places. Many beaches are close to airports and roads. Visitors can stay in a variety of places, from luxury hotels to small guesthouses, depending on their budget.

However, beach tourism can also cause problems. Too many tourists can make beaches crowded, and pollution can damage the environment. It is important for tourists to keep beaches clean and follow local rules to protect the natural beauty of these areas.
