

## WEATHER

### Umbrella – Rihanna

Listen to the song and complete the lyrics.

No \_\_\_\_\_ in my stones  
Let it \_\_\_\_\_, I hydroplane in the bank  
Comin' down at the Dow Jones  
When the \_\_\_\_\_ come, we gone  
We Rocafella  
We fly higher than \_\_\_\_\_  
In G5s or better  
You know me  
In anticipation for precipitation stack chips for the \_\_\_\_\_ day  
\_\_\_\_\_ Man is back with little Ms. \_\_\_\_\_  
Rihanna, where you at?

You have my heart, and we'll never be worlds apart  
Maybe in magazines, but you'll still be my \_\_\_\_\_  
Baby, 'cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you I'll always share... because

When the \_\_\_\_\_ shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out 'til the end  
Now that it's \_\_\_\_\_ more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, ella, ella, eh, eh, eh

These fancy things will never come in between  
You're part of my entity, here for infinity  
When the world has took its part  
When the world has dealt its cards  
If the hand is hard, together we'll mend your heart...Because

(CHORUS)

You can run into my arms  
It's okay, don't be alarmed  
Come into me (There's no distance in between our love)  
So gon' and let the \_\_\_\_\_ pour  
I'll be all you need and more...Because

(CHORUS)

It's \_\_\_\_\_, \_\_\_\_\_  
Ooh, baby, it's \_\_\_\_\_, \_\_\_\_\_  
Baby, come into me  
Come into me  
It's \_\_\_\_\_, \_\_\_\_\_  
Ooh, baby, it's \_\_\_\_\_, \_\_\_\_\_  
You can always come into me  
Come into me  
It's pouring \_\_\_\_\_  
It's pouring \_\_\_\_\_  
Come into me  
Come into me  
It's pouring \_\_\_\_\_  
It's pouring \_\_\_\_\_
