

Worksheet: Descriptive Text Practice

Text 1 – The Grand Library of Arcadia

In the middle of the city of Arcadia, there is a big and famous building. It is called the Grand Library of Arcadia. People visit it to read books and to see its beauty.

From the outside, the library looks very old but strong. It is made of stone and has tall columns at the front. On the top, there is a big round dome. When the sun shines, the dome looks bright and shiny.

Inside the library, the air is quiet and calm. Many tall bookshelves stand in long rows. There are thousands of books on the shelves. In the center, sunlight comes through a big glass window, and the floor shines with color.

The library also has special rooms. There is a room for old manuscripts, a room for maps, and even a room for inventions. Each room shows something different and special.

The Grand Library of Arcadia is more than just a place for reading. It is a place where people can learn, think, and feel inspired.

Text 2 – The Enchanted Garden of Mirabel

Behind the old castle, there is a secret place. It is called the Enchanted Garden of Mirabel. The garden looks different in every season.

In spring, many flowers bloom in many colors. In summer, the air is full of the smell of roses, and bees fly around. In autumn, the trees have golden leaves that fall on the ground. In winter, the garden is white and shiny with snow and frost.

At the center of the garden, there is a crystal fountain. Clear water flows all the time. People like to sit on the benches near the fountain to rest and enjoy the peace. Some people believe the water can make them feel better.

A legend says that the goddess Mirabel gave the garden to the city. She wanted it to stay beautiful forever. People say if you make a wish at the fountain, Mirabel may listen.

The Enchanted Garden of Mirabel is a magical place. It gives visitors both beauty and hope.
