

Song: **Make You Feel my Love**

Singer: **Adele**

When the rain is blowing in your _
And the whole world is on your _
I could offer you a warm embrace
To make you feel my love

_ the evening shadows and the stars appear
And there is no one there to dry your _
I could hold you for a million _
To make you feel my love

I know you _ made your mind up yet
But I will never do you wrong
I've known it from the _ that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and _
I'd go crawling down the _
No, there's nothing _ I wouldn't do
To make you feel my love

The storms are raging on the rolling _
And on the highway of regret
The winds of change are blowing wild and _
You ain't seen nothing like me yet

I could make you happy,
make your dreams come _
Nothing that I wouldn't do
Go to the ends of the earth for _
To make you feel my love
To make you feel my love

when
you
that
haven't
moment
face
blue
true
avenue
tears
sea
free
case
years
