Peter (@peterinthewoods)

I walked into the field this morning 🤗. Everything looked so quiet...

Grandfather (@grumpygrandpa)

I told Peter not to go out! 🚫 The wolf lived in the forest!

Bird (@tweetbird)

I flew across the trees. 🐦 #betterthanwalking

Duck (@quacklife)

I swam in the pond 🦆. The water felt amazing!

Cat (@meowhunter)

I walked slowly and I almost caught the bird 🐱 👀.

Wolf (@bigbadwolf)

I arrived near the meadow 🐺. I wanted food...

Duck (@quacklife)

I rushed away but the wolf ran faster 😱. He swallowed me in one bite 💔.

Peter (@peterinthewoods)

I remembered the rope and I decided to catch him 💡 🪢. I shouted for help!

Hunters (@foresthunters)

We came with our guns, but Peter already trapped the wolf 😳.

Villagers (@villagepeople)

We laughed at Peter before because he shouted 'Wolf!' too many times 🙎. We didn't believe him when the wolf really came.

Peter (@peterinthewoods)

Yeah... I told too many lies. Now everyone got angry 😬. At least the wolf went to the zoo 🐺 ➡️ 🏔️.

Final Narration (@storytime)

Moral of the story: Don't spam your Insta with fake drama, or nobody will believe you when it's real 😊 📱.
