FFs1 – Review

**Task 1. Look and write.**

|                                                                                     |                                                                                     |                          |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------|
|    |    | 1 This is Ali's T-shirt. |
| Ali                                                                                 | cap                                                                                 |                          |
|    |    | 2 This is                |
| Anne                                                                                | bag                                                                                 |                          |
|   |   | 3 This is                |
| Ben                                                                                 | T-shirt                                                                             |                          |
|  |  | 4 This is                |
| Rosnah                                                                              | skirt                                                                               |                          |
|  |  | 5 These are              |
| Hamid                                                                               | shorts                                                                              |                          |
|  |  | 6 These are              |
| Liming                                                                              | shoes                                                                               |                          |

**Task 2. Write the correct answer:**

1. Is it a climbing frame ?

- Yes, it is.

The balls are in the box.

2. Where is the ball?

- \_\_\_\_\_.

Where does she work?

3. What is it?

- \_\_\_\_\_.

Is it a climbing frame?

No, it isn't. That is Jane's pencil.

4. Where does he work?

- \_\_\_\_\_.

It is Jim's pen.

5. Where are the balls?

- \_\_\_\_\_.

The ball is behind the robot.

6. Is it John's pencil?

- \_\_\_\_\_.

He works in a hospital.

7. \_\_\_\_\_?

- She works in a post office.

**Task 3. Listen and write the numbers:**
