|-----------------------------------------------------|------------------------------------------------|
| ① Which DVD did you watch last night?               | a They bought it yesterday.                    |
| ② What did she say?                                 | b They knew Jack and Sally.                    |
| ③ Where did Mum put my bag?                         | c We read lots of comics!                      |
| ④ When did they buy their new computer?             | d I chose it because it's my favourite colour! |
| ⑤ Why did you choose the red one?                   | e Because it was cold outside.                 |
| ⑥ Who did they know at the party?                   | f We watched the one about an explorer.        |
| ⑦ How many comics did you read in the summer?       | g She said 'Hello'.                            |
| ⑧ What did they give their mother for her birthday? | h They gave her a red scarf.                   |
| ⑨ Why did he put on his coat?                       | i She put it in the hall.                      |
| ⑩ When did she take these photos?                   | j She took them last weekend.                  |
