Diagram for syllable matching:

- A large dashed box contains the letter **H**.
- Four arrows point from the **H** box to four smaller dashed boxes containing the vowels: **a**, **e**, **í**, and **o**.
- Each of these four boxes has an arrow pointing to a larger empty dashed box on the right, intended for a syllable.
- Below the vowel boxes, there is a fifth dashed box containing the vowel **u**, which also has an arrow pointing to a larger empty dashed box on the right.

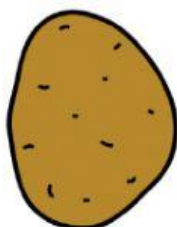

Options for syllable placement:

- Four dashed boxes in a row containing the syllables: **Ho**, **Ha**, **Hí**, and **Hu**.
- Below these, a single dashed box contains the syllable: **He**.
