## SUMMER COURSES ON SOFT SKILLS

Summer is the time for students to relax after studying hard for a whole year. There are many activities that they can do during their holiday. Taking a summer course on soft skills is a good choice for them. During this course, they can learn and develop their soft skills that they can use in the real world. For example, in the morning, they have to wake up early at 5 a.m. Then, they learn how to cook their favourite meals with some professional chefs in the course. In the afternoon, they can do a lot of sports activities. They can go swimming, play basketball, and go trekking. This will help them exercise and make friends with other students. In the evening, they join in language classes to practise speaking skills. Summer courses on soft skills are great for students to learn new things while they still have fun.
