Direction: Read the text and choose the correct answer. (Item 21-30)

It was a sunny afternoon in July. A light breeze was blowing across the bay. David and his friends were sailing along the coast enjoying the warm weather. They used to be together more often. They would meet every weekend, but that changed after university. That's why they made sure they had this one holiday together every year.

The friends all felt relaxed. Rick and Tyler were helping David as Max and Bill were talking about their summer holidays. Suddenly, the sky went dark, the sea got rough and waves crashed against the boat. David was trying to lower the sails when Rick shouted out, "Where's Tyler?"

21. What were David and his friends doing at the beginning of the story?

- a) Swimming in the sea
- b) Sailing along the coast
- c) Walking on the beach
- d) Playing football

22. How often did David and his friends use to meet before university?

- a) Every day
- b) Every summer
- c) Every weekend
- d) Only on holidays

23. Why did the friends plan this holiday together every year?

- a) Because they lived in different countries
- b) Because they were too busy during university
- c) Because they wanted to practice sailing
- d) Because they had a lot of free time

24. What happened suddenly while the friends were on the boat?

- a) It started raining heavily
- b) The boat sank
- c) A whale appeared
- d) The sky went dark and the sea became rough

25. What did Rick shout at the end of the passage?

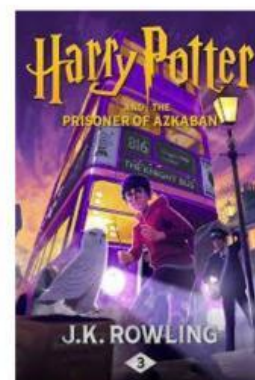

- a) "Let's go home!"
- b) "Help David with the sails!"
- c) "Look at the storm!"
- d) "Where's Tyler?"

Harry Potter

Harry Potter is an ordinary boy—or so he thinks. On his eleventh birthday, he discovers he is a wizard and is invited to study at Hogwarts School of Witchcraft and Wizardry. In this world of spells, magical creatures, and dangerous secrets, Harry makes new friends—Ron and Hermione—but also powerful enemies, including the dark wizard Lord Voldemort.

J. K. Rowling's hugely successful fantasy series follows Harry's adventures through seven thrilling novels, beginning with *Harry Potter and the Philosopher's Stone*. Each book combines imagination, mystery, and action, making the stories both exciting and unforgettable. The series became an international bestseller, translated into over 80 languages and selling hundreds of millions of copies worldwide.

Along with the novels, the books were adapted into blockbuster films, turning Harry Potter into a global cultural phenomenon. Funny, emotional, and sometimes very scary, these stories remain impossible to put down for readers of all ages.

26. What happens to Harry Potter on his eleventh birthday?

- a) He moves to a new city
- b) He finds out he is a wizard
- c) He starts a new school in London
- d) He meets Lord Voldemort for the first time

27. Which two friends does Harry make at Hogwarts?

- a) Ron and Hermione
- b) Fred and George
- c) Neville and Luna
- d) Draco and Dudley

28. How many novels are in the Harry Potter series?

- a) Five
- b) Six
- c) Seven
- d) Eight

29. What kind of story is Harry Potter mainly described as?

- a) Biography
- b) Fantasy
- c) History
- d) Science

30. Why is the Harry Potter series considered a global phenomenon?

- a) Because it was written in one year
- b) Because it has been translated into over 80 languages and made into films
- c) Because it only sold in the UK
- d) Because it is only for children
