PROCEDURE TEXT

You are given a procedure text titled "How to Use a Rice Cooker", but the steps are not in order.

A. Scrambled Procedure Text *(Teks Prosedur Acak)*

Plug in the rice cooker and press the "Cook" button.
Wash the rice and put it into the rice cooker pot.
Wait until the indicator turns to "Warm".
Add the right amount of water into the pot.

B. Identify the problem

1. What is the main problem if people follow this text?

2. What risks might occur if the steps are done incorrectly or out of order?

C. Analyze

1. Identify the goal of the text.

2. List the tools/materials needed.
