My Day

Instruction:

Read the text and put the routines in the correct order.

In the morning, I usually get up at 7 o'clock. After that, I brush my teeth to feel fresh and ready for the day. Then, I sit at the dining table and have breakfast with my family before leaving home. When I am ready, I ride my bike to school.

After school, I have lunch to regain my energy. Later, I sit at my desk and do my homework carefully, making sure I finish all the tasks my teacher gave me.

Before bedtime, I like to relax by watching TV for a while. Finally, I always take a shower so that I feel clean, comfortable, and ready to sleep well at night.
