Monsters University

Monsters University is a comedy film by Pixar, and now you can watch it on DVD!

The characters in Monsters University are funny monsters. They're 3D computer animations, but real actors play their voices.

In the film, Mike is a six-year-old monster. He lives in the monster world. One day, he visits a company called Monsters Inc. Lots of monsters work there. The monsters visit the human world at night. They scare children and they use the children's screams to make energy! Mike wants to be a scary monster when he grows up. When Mike is a teenager, he goes to Monsters University to learn how to be scary. He meets Sulley, but they are not friends at first. Sulley is very good at scaring people, but Mike is not very scary at all. One day, Mike and Sulley go to the human world and they can't get back. They work together, and finally go home to the monster world. Now Mike and Sulley are friends. They get jobs at Monsters Inc., and they have fun working together.

Monsters University is very funny, and the actors' voices are brilliant. There's lots of cool music in the film, too. I love the song "Monsters University". The monsters are terrible singers, but the song is great!

Monsters University is lots of fun. Don't miss it!
