

In this essay, the writer describes how his 2 siblings are both similar and different. Identify the four parts of the essay [A–D], then complete the gaps [1–30].

<p><b>A</b></p> <p>_____</p>	<p>I come from an extended f<sup>1</sup> _____ with a lot of siblings, aunts, uncles, and c<sup>2</sup> _____. We all share quite a lot of personality traits and interests, but we are certainly not exactly a<sup>3</sup> _____! In this e<sup>4</sup> _____, I am going to explain how similar and d<sup>5</sup> _____ my elder brother and little sister a<sup>6</sup> _____.</p>
<p><b>B</b></p> <p>_____</p>	<p>On the one hand, Yassine and Yasmine share a lot in c<sup>7</sup> _____. We like their company b<sup>8</sup> _____ they are fun-loving and ch<sup>9</sup> _____. It is never dull listening to their j<sup>10</sup> _____ and exciting adventures. In a<sup>11</sup> _____, he exercises daily and enjoys riding his bike, and s<sup>12</sup> _____ does she. When it is warm in summer, they s<sup>13</sup> _____ in the sea and when it is chilly in winter, they go to an indoor p<sup>14</sup> _____. He is a top student, and she is a model student, t<sup>15</sup> _____. Last but not least, n<sup>16</sup> _____ of them ever visited China before, but they are both crazy about C<sup>17</sup> _____ food.</p>
<p><b>C</b></p> <p>_____</p>	<p>On the other hand, my siblings h<sup>18</sup> _____ some striking differences. For e<sup>19</sup> _____, unlike Yasmine, Yassine is very tall and has short d<sup>20</sup> _____ hair. Besides, while she always keeps her room clean and t<sup>21</sup> _____, he seems to live in a messy cave. We a<sup>22</sup> _____ hate it when he invites his noisy f<sup>23</sup> _____ home, but it makes us feel relaxed when she p<sup>24</sup> _____ soft piano music in the living room. Moreover, although they often see films, Yasmine usually watches animations on TV, w<sup>25</sup> _____ Yassine often goes to the cinema to watch the latest action m<sup>26</sup> _____.</p>
<p><b>D</b></p> <p>_____</p>	<p>It is true that my t<sup>27</sup> _____ siblings have a wide age gap, look different and enjoy distinct tastes, but this never made t<sup>28</sup> _____ quarrel with each o<sup>29</sup> _____. On the contrary, their sense of respect and appreciation i<sup>30</sup> _____ indeed the source of our pride and inspiration.</p>
