

Have you ever organized a party for someone?

Yes, I make a party for my friend last year. It was in my house and we invite many peoples.

What types of books do you like to read?

I like read adventure books and sometimes romantic. I don't read a lot because it's boring me, but when I find a interesting book, I can finish fast.

Which festivals do you think you will go to in the future?

Maybe I go to the music festival in summer. I want go with my cousin. Also I think I will go in the Carnival, but not sure because is expensive.

Would you rather travel by car or bike? Why?

I prefer travel with bike because is more healthy and cheap. But sometimes is difficult when is rain or when the distance is too long.

What have you done today?

Today I go to school and after I make my homework. I also eat lunch with my mother. I not do many things because I was tired.
