Last week, Fahad and his friends went on a trip to visit The Science Museum. They went there by the school bus. They were very excited.

At nine o'clock, they arrived there. They saw many things such as the wonder lab where they did many amazing experiments. They also learnt about robot design. There was a science workshop about how to make the electricity. It was very interesting. They also saw a science show. Some of the students took part in the show. They had a great time.

After that, they went to buy some gifts at the gift shop. Then, they ate some sandwiches at a café. After having snacks, they went back to the school.
