

Imagine that you are doing a project on the main **factors influencing commuting decisions of people in Zetland**. You have found some data on the subject - the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

The survey question:

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project
- select and report 2-3 facts:
- make 1-2 comparisons where relevant and give your comments;
- outline a problem faced by commuters and suggest a way of solving it
- conclude by giving and explaining your opinion on the determining factor that affects the commute mode choice.
