Comment on the data in the bar chart and give your opinion on the subject of the project.

The survey question:

What kind of field do you want to work in after finishing school?

Manufacturing industry – 20%

Science & technology - 18%

Education – 15%

Civil service – 14%

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2-3 facts;
- make 1-2 comparisons where relevant and give your comments;
- outline a problem that can arise with choosing a career and suggest a way of solving it;
- conclude by giving and explaining your opinion on the importance of a career choice in people's lives.
