Music and Me

I only (0) start learning music when I was in secondary school. Since then, music (9) have become an important part of my life. I often listen to music to (10) relaxed myself. Music also helps me to concentrate better on (11) our studies. Learning to play musical instruments has helped me to make new friends (12) which share similar interests. Together, we have put up several (13) performance for schools and the community. Besides gaining confidence in (14) ours, sometimes we also get paid. With advanced technology, my friends (15) so I are now learning to create music. We (16) wanted to record and mix our own music. We also hope to upload our music videos online one day.
