A school trip to the theatre

Last week, everyone in my class (0) on a trip to the theatre. We travelled there (25) coach. The theatre is about 10 kilometres away from school, so it was much (26) far to walk. The play was *Romeo and Juliet* by William Shakespeare. In fact, it's probably the (27) famous of all the plays that Shakespeare wrote. We've studied it at school, so I knew (28) it's about. It's a love story, but it's also the saddest play I (29) ever seen. At the end, several (30) the people in my class were crying. But I loved it!

Task 2: Choose the correct answers**Starting photography**

By Mrs Howeels, Class 3D teacher

Have you ever wanted to take better pictures of your family, of your dinner or of your cat? Well, I can help you. In fact, that's what makes photography such a fantastic hobby. It doesn't matter if you have a nice new camera or just use your phone. We photographers are always trying to improve. We want today's to be more interesting than yesterday's.

In my photography classes, I'll show you how to find your own style, not just take the same photos as all your friends. But you'll need to be out of bed early and take pictures in the best light, before it gets too bright. We'll talk more about light in Week 1.

Actually, I've never read a book about photography, and I get bored watching videos on the net. I started to understand more about photography by looking at my own photos. I thought about what was wrong with them and decided how to do better next time. And in Week 2, I'll ask you to do the same with photos you have taken.

Do you want to know what I think? I don't think there's anyone who can't take amazing photos. Not everyone wants to, and that's cool. But if you do, come along to Room 4D on Wednesdays after lunch from 1:30 to 2:00.
