

TIP

In some words, **y** teams up with the letter **a** to spell the long-vowel sound **a**, as in maybe. At the end of a word with more than one syllable, **y** may make the long-vowel sound **e** as in pretty. Listen for the sound that **y** makes in each **list word**.

LIST WORDS

- | | |
|------------|----------------|
| 1. lady | <i>lady</i> |
