Assessors:

Category	Excellent (4)	Good (3)	Fair (2)	Needs Improvement (1)
Content Understanding	Demonstrates a thorough understanding of the reading strategy and applies it accurately.	Shows a good understanding but with minor inaccuracies or gaps.	Demonstrates a basic understanding with noticeable gaps or misunderstandings.	Limited understanding of the reading strategy; many inaccuracies.
Creativity	Uses highly creative methods to present the strategy in an engaging, interactive way.	Demonstrates creativity but lacks full engagement or interactivity.	Some creative effort; but presentation lacks originality or engagement.	Presentation is unoriginal and lacks creativity or interactivity.
Team Collaboration	All members contributed equally, showing excellent teamwork and coordination.	Most members contributed, with some teamwork and coordination evident.	Uneven contributions from team members; limited coordination.	Teamwork is weak, with one or two members doing most of the work.
Delivery and Clarity	Presentation is clear, well-organized, and easy to follow; effective speaking skills.	Presentation is generally clear but may lack organization or clarity in some parts.	Somewhat unclear or disorganized; difficulties in delivering the message.	Presentation is hard to follow or poorly delivered.
Engagement	Actively engages the audience and keeps their attention throughout.	Engages the audience in most parts, though some sections are less interactive.	Limited engagement with the audience; most of the presentation is passive.	Fails to engage the audience; little to no interaction.
