I can't draw or play the piano, but I love dancing. I'm a big fan of Kaycee Rice. She is 19 years old and from Los Angeles. She is the best dancer in the world. She is young, but she dances with famous singers like Katy Perry. She is also on TV. Do you know any young people with a talent?

Emma

I love Rayssa Leal. She is from Brazil and she can skateboard. She is 14 years old. She won a silver medal for street skateboarding at the Tokyo 2020 Summer Olympics! Amazing! I can ride a scooter and a skateboard, but not very well. I need to practise more!
