What's your favourite healthy food?

This is a photo of my favourite healthy food – a rainbow salad. I usually eat meat or fish for dinner, but not today! I like this salad because it's easy to make. You use lots of vegetables with different colours! This one has green cucumber, red tomatoes, red onions, yellow peppers and green herbs. I like to drink sparkling water with it.

Jaylan, Australia

That looks very nice, Jaylan. I want to make it and eat it! My favourite healthy food is Moqueca. It's a fish soup that we eat here in the north of Brazil. You can buy it in other countries, but it's not the same. It's fish, red peppers, onions or other vegetables in a tomato sauce. Mmm, I can smell it now!

Giselle, Brazil

My favourite healthy food is a fruit salad. I make it with strawberries, melon and pears. I sometimes use oranges too, but when I don't have any, I add a little bit of lemonade or sparkling water. It's great on a hot day when I feel thirsty.
