The trip to Green Valley

Last summer, my class went on a trip to Green Valley, a small village in the mountains. The journey there was long, but the views were incredible. We saw a curved road going up the hill, with tall trees on both sides.

Our guesthouse was near a river. It was very peaceful, and at night the stars looked almost magical in the sky. On the second day, we visited an old castle. The place was dark and scary-looking, but also very mysterious. Some of my friends even thought they heard strange sounds inside!

On the last day, we went to a garden full of exotic plants and flowers. It was so enchanting that nobody wanted to leave. For me, the whole trip was unforgettable.
