Reading

6 Przeczytaj tekst i odpowiedz na pytania.

My friend Leo sends me messages when it's morning for him. He lives in California now, so it's morning for him when it's early evening for me. This is his last message: 'Hello, Jason. Our teacher is ill and there isn't another teacher for us, so we're having fun in class. Some boys are watching a film on a tablet – a scary one! Some girls are singing – badly! One girl is studying – she's a good student.'

I like hearing about what Leo's doing at school. He's my best friend. I miss him a lot, but it's OK because he sends messages every day and at weekends we have a video call. I live in London. Leo usually lives in London, but his parents are working in California for two years. Leo's parents often travel to different places for work and Leo goes with them. One good thing is that I sometimes visit him. My parents say I can go and stay with Leo in the summer, so I'm very excited about that!

- 1 Why are the students in Leo's class having fun?

- 2 What type of film are the boys watching?

- 3 How many students are studying?

- 4 How long is Leo staying in California?

- 5 Why is Jason excited?
