

Silent night

Silent night, holy night
Sái-lent náit, jón-li náit
All is calm, all is bright
Ol is kám, ol is bráit
Round yon Virgin, Mother and Child
Raúnd yón vér-yin, má-der and cháild
Holy infant so tender and mild
Jóu-li ín-fant so tén-der and máild
Sleep in heavenly peace
Eslíp in jé-ven-li píis
Sleep in heavenly peace
Eslíp in jé-ven-li píis

Silent night, holy night
Sái-lent náit, jón-li náit
Shepherds quake at the sight
Shé-perds kuéik at de sái-t
Glories stream from heaven afar
Gló-ris strím from jé-ven a-fár
Heavenly hosts sing Alleluia
Jé-ven-li jónsts síng a-le-lu-yá

Radiant beams from Thy holy face

With the dawn of redeeming grace
