

PRACTICE THE ALPHABET WITH A SPELLING ACTIVITY

INSTRUCTIONS:

1. Listen carefully to the spelling of each word.
2. Write down each word exactly as you hear it. Pay close attention to **upper case (capital letters)** and **lower case (small letters)**.
3. You may **repeat the audio as many times as you need**. The goal is to **practice the English alphabet** and **improve your listening and spelling skills**.
4. Check your answers after finishing and correct any mistakes.
5. Practice again until you can spell all the words correctly and confidently.
