

## Accidentally in Love - Counting Crows

Listen to the song and complete its gaps with the **comparative** form of one of the adjectives from the box:

light ♦ fast ♦ bright ♦ close ♦ tight ♦ high

So she said what's the problem baby  
What's the problem I don't know  
Well maybe I'm in love (love)  
Think about it every time  
I think about it  
Can't stop thinking 'bout it

How much longer will it take to cure this  
Just to cure it cause I can't ignore it if it's love  
(love)  
Makes me want to turn around and face me  
but I don't know nothing 'bout love

Come on, come on  
Turn a little   
Come on, come on  
The world will follow after  
Come on, come on  
'Cause everybody's after love

So I said I'm a snowball running  
Running down into the spring that's coming  
all this love  
Melting under blue skies  
Belting out sunlight  
Shimmering love

Well baby I surrender  
To the strawberry ice cream  
Never ever end of all this love  
Well I didn't mean to do it  
But there's no escaping your love

These lines of lightning  
Mean we're never alone,  
Never alone, no, no

Come on, come on  
Move a little   
Come on, come on  
I want to hear you whisper  
Come on, come on  
Settle down inside my love  
Come on, come on  
Jump a little

Come on, come on  
If you feel a little   
Come on, come on  
We were once upon a time in love  
We're accidentally in love

Accidentally in love  
Accidentally in love  
Accidentally in love  
Accidentally in love  
Accidentally in love  
Accidentally in love  
Accidentally

I'm in love, I'm in love,  
I'm in love, I'm in love,  
I'm in love, I'm in love,  
Accidentally

I'm in love, I'm in love,  
I'm in love, I'm in love,  
I'm in love, I'm in love,  
Accidentally

Come on, come on  
Spin a little   
Come on, come on  
And the world's a little

Come on, come on  
Just get yourself inside her  
Love I'm in love
